

BADRE ALAM

Sant Kabir Nagar, Utter Pradesh

+91-7007887608 badre2753@gmail.com badre-alam-589922292

EDUCATION

Rajkiya Engineering College
BTech- CGPA - 7.44

SEP 2023 – SEP 2027

Kannauj, India

Sant Kabir Nagar

UP Board - Intermediate - Percentage - 74.8%

April 2021 – April 2022

Sant Kabir Nagar, India

COURSEWORK / SKILLS

- Digital Electronics
- Electronics Devices
- Python
- Microprocessor(8085)
- Verilog
- Analog Electronics
- C Language
- Microcontroller(8051)

PROJECTS

Activation Function Unit | Technology Stack Used

Aug 2025

- Designed AFU of sigmoid function using verilog on xilin vivado version 2022.2 it gives approx values of sigmoid function with maximum possible error .02.

Traffic Light Controller | Technology Stack Used

April 2025

- Traffic Light Controller using verilog and verified writing test bench highlight key points.

Sequence Detector1101 | Technology Stack Used

Feb 2025

- Designed sequence detecto that detect 1101 using verilog on Xilin vivado

Implementation of Automatic Washing Machine | Technology Stack Used

OCT 2024

- Designed automatic washing machine using verilog on vivado that include wash ,Drain,Add Detergent

TECHNICAL SKILLS

Languages: Verilog,Python, C,
Developer Tools: VS Code, VIVADO,

EXTRACURRICULAR

IIT KANPUR

MAY 2025-JUNE 2025

COMPLETED one week bootcamp on virtual Lab and received Gold Developer certificate

KANNAUJ

INTERNSHALA

08 2025 – 10 2025

COMPLETED 2 week VLSI design training program

KANNAUJ

Rajkiya Engineering College

AUG 2024

Presented A solution on the electric vehicle

KANNAUJ

CERTIFICATIONS

- VLSI Training from Internshala
